**“TPM TUNTAS
BERSAMA JAGA KUALITAS”**

A group of seven workers, four men and three women, are standing in a line in front of a large control panel. They are all wearing orange safety suits with reflective stripes and hard hats (red, white, and orange). The control panel behind them has various charts and text, including "PAPAN KONTROL TPM", "PT. Semen Tonasa", "PLAN MAINTENANCE", and "TPM OFFICER". The workers are smiling and some are giving thumbs up. The background is slightly blurred, showing an industrial setting with a glass door.
